Q: What is your pricing and how does the process work?
A: Our pricing is customized for each project based on scope, complexity, and timeline. Here is how our engagement process works and what influences pricing:

Our Process:

Step 1 - Discovery (Free)
We start with a detailed consultation to understand your goals, target audience, space constraints, and budget range. This helps us tailor our recommendation precisely to your needs.

Step 2 - Concept & Proposal
Our design team creates a conceptual approach including mood boards, spatial layouts, and technology recommendations. You receive a detailed proposal with itemized costs, timelines, and deliverables.

Step 3 - Design & Development
Once approved, our multidisciplinary team begins production. This includes 3D modeling,... [TRUNCATED]

We are thrilled to share a significant milestone achieved by Sparrow, as we proudly contributed to the visionary Sultan Haitham City project in Oman. With expertise in architectural visualization and scale model creation, we crafted a remarkable 1:2000 model of the smart city. Installed in the prestigious palace of His Majesty Sultan Haitham bin Tarik, the scale model captivated esteemed guests, including His Majesty and His Excellency Dr Khalfan Al Shuaili, the Minister of Housing & Urban Planning.
